PROFILE SUMMARY

I am Sujal Joshi, a seventh-semester student at Gandhinagar Institute of Technology, pursuing a Bachelor's degree in Information Technology. I have a strong intrest in technology and programming with knowledge of web development and problem-solving skills. My goal is to grow as an IT professional while staying updated with the latest trends in technology.

WORK EXPERIENCE

TEACHNOOK   SEPTEMBER-2023
DATA SCIENCE

- I successfully completed a 2-month online internship in Data Science at TechNook. During this internship, I gained hands-on experience in data analysis, machine learning, and visualization techniques.This opportunity enhanced my technical skills in Python, SQL, and tools like Pandas, NumPy, and Matplotlib.

STRINIX PVT.LTD.   JULY-2024
FLUTTER APP DEVELOPMENT

- I successfully completed 2-week offline internship at Strinix Pvt. Ltd. as a Flutter App Developer. During this internship, I worked on developing and optimizing cross-platform mobile applications using the Flutter framework. I gained hands-on experience in designing user interfaces, integrating APIs, and debugging applications to ensure smooth functionality.This role allowed me to enhance my programming skills in Dart and improve my understanding of mobile app development processes.

INFIVIDHYA PVT.LTD.   JUNE-2024
FULL STACK DEVELOPMENT

- I completed a 2-week offline internship as a Full Stack Developer at Infividhya Pvt. Ltd. During this internship, I worked on both front-end and back-end development, gaining practical experience in designing, developing, and deploying web applications. I enhanced my skills in technologies such as HTML, CSS, JavaScript, and frameworks like React and Node.js.
